

NECCC CONFERENCE 2015

MODEL ACTIVITIES

1. Both indoor and outdoor model sets will operate on Saturday and Sunday.
2. Indoor sets are located on the lower level of the Campus Center rooms 175 and 176.
3. In the event that the weather becomes extreme (a hurricane) the auditorium of the Campus Center will be utilized as a substitute location.
4. Locations: (1) the Campus Center; (2) the west pond location (3) the walls of the east side of the campus chapel
5. Models pose:
Saturday from 9:00 AM through lunch until 5:00 PM.
Sunday from 9:00 AM until 11:00 AM.

MODEL RELEASE

1. Models sign a limited "Model Release" granting permission to participating NECCC attendees to use images taken at the NECCC 2015 Conference for personal use only.
2. Personal use is **expressly limited** to camera club activities as well as personal web sites. There are **no exceptions** to this granting of permission.
3. A photograph of a conference model cannot be offered for sale, even at a very inexpensive price on sites such as *Smug Mug*.
4. All models have been told that they will not sign any model release. If the photographer pressures them, models are told to refer that photographer to **Skip Hoyt, Chairperson of the Model Committee.**

Thank you, in advance, for your cooperation.

GUIDELINES FOR SUBMITTING IMAGES OF MODELS

1. Photographers should send the Photoshopped images with the model's name to the individual model.
2. All the models will have their name, email, and contact information available throughout the weekend.
3. Model information will be on a card posted in the area of the models where they are posing, by the changing room, by the indoor-set ups near CC175-176.
4. Images must be sized to 768 pixels in height by 1024 pixels in width, a maximum resolution of (dpi 240).
5. Please feel free to send as many tweaked digital images as you wish to the models.
