

## **MOBILITY CHALLENGED ACCESSIBILITY**

UMass Amherst has several good maps with information on handicap parking and building accessibility. Use the link below to directly access the maps.

## **UMASS CONSTRUCTION**

The UMass Amherst campus continues to be under construction in various locations around campus including the library and the church. The impact to the conference this year is the loss of the church area for the Model Activities.

**Models will be located at and will pose at the traditional locations:**

- (1) The Campus Center under the overhang;
- (2) The west pond location; which has many possibilities;
- (3) Due to ongoing construction the 3rd location will be determined at a later date and the location will be posted outside Campus Center room 176 lower level.
