

NECCC CONFERENCE 2017

MODEL ACTIVITIES

1. Both monitored indoor and outdoor model sets will operate on Saturday and Sunday.
2. Indoor sets are located on the lower level of the Campus Center in rooms 175 and 176. There will be 4 different professional lighting set ups. Each photographer may photograph the models in three poses over a maximum time of two minutes.
3. Outdoor Locations: (1) the Campus Center Concourse (under the hotel overhang -3rd floor); 2. The newly renovated church and (3) the west pond location. In the outdoor sets, also monitored but un-timed, the model will pose starting at one end of the group of photographers through to the end of the group and then start over. The model will make eye contact with each photographer and move to the next photographer.
4. In the event of inclement weather we will continue photographing under the overhang of the Campus Center if possible.
5. Models posing:
 - Saturday from 9:00 AM till 5:00 PM. (We will be shooting through lunch time)
 - Sunday from 9:00 AM until 11:30 AM (the first set will include models with the FMX Stunt Riders from approximately 9 am to 9:30 am).

MODEL RELEASE

1. Models sign a limited "Model Release" granting permission to participating NECCC attendees to use images taken at the NECCC 2017 Conference for personal use only.
2. Personal use is **expressly limited** to camera club activities as well as personal web sites and your personal business card. There are **no exceptions** to this granting of permission.
3. A photograph of a conference model cannot be offered for sale, even at a very inexpensive price on sites such as *Smug Mug*.
4. All models have been told that they **will not sign** any model release for ANY PHOTOGRAPHER during the conference. If the photographer pressures them, models are told to refer that photographer to **Skip Hoyt, MNEC, Chairman of the Model Committee**.

Thank you in advance, for your cooperation.

GUIDELINES FOR SUBMITTING IMAGES OF MODELS

1. Photographers should send their **PROCESSED** images to the individual model.
2. All the models will have their name and email information available throughout the weekend.
3. Model information will be on a card posted where they are posing, and by the indoor-set ups near CC Rooms 175-176.
4. Images must be sized to 768 pixels in height by 1024 pixels in width, a maximum resolution of dpi 240.
5. Please feel free to send as many tweaked digital images as you wish to the models.
