SUNDAY MORNING OUTDOOR PHOTO EVENT 7AM TO 8AM Cam Snappers Car Club (Sponsored by Hunts Photo and Video)

The Sunday morning event will be ten classic cars from The Cam Snappers Car Club. The Cam Snappers Car Club were established in 1952 and its motto is "We are the Good Old Days." Cam Snappers are made up of Hot Rod, Streetrod, and Custom Car enthusiasts. Posing with the cars will be our NECCC 2018 female models. Models and attendees alike are reminded not to touch or lean on these classic cars. Take some pictures, meet the owners and listen to some 50s/60s rock & roll music at this fun event. This event is weather dependent.

Please email photos to <u>tlcbam@comcast.net</u> during/after the conference so we can provide them to the car owners.
