Come on a visual journey with Darrell Gulin as he presents "VISION: capturing moments on all 7 continents". Darrell is one of Canon's 'Explorer of Light' photographers, a title given to a select group of world class photographers who are chosen to share their passion, photographs and expertise with the world. Traveling to All Seven Continents, Darrell will show photographs and tell us stories from all seven continents, and will tell how he captured these images. When traveling your vision develops first before you even leave your home by: research, who you are, developed style and developing style. Out in the field capturing the moment as you see it. We will travel to all 7 Continents and show the Icons, moments, light, with Darrell's vision. Darrell has traveled the globe, from Antarctica and Africa to Asia and Europe, capturing rare and exquisite moments in nature, lions on the prowl, monkeys in hot springs, polar bears on ice flows, penguins and zebras oh my. He also enjoys the people and architecture with images from the Venice Carnival and the Great Wall of China.
