

Campus Accessibility

Conference Registration >>< <https://necccphotoconference.org/necccregister/>>

Individuals with any accessibility needs should write their special medical requirements and/or accessibility needs on the registration page (you will see a clearly marked box asking for this information on the online registration page). These will be honored on an as-received basis: due to space limitations all special requests cannot be guaranteed, but we will contact you if we are unable to accommodate your needs. Please make note of all accessibility needs when you register and be as detailed as possible.

For specific accessible information on residence halls, suites or classrooms please contact the UMass Conference Services Registration Team at 413-577-8102 or registration@umass.edu.

Accessible Parking

Attendees with a state-issued disabled parking placard or license plate may park in any marked Reserved Accessible Space, any regular, unreserved space, or any parking meter at no charge.

All vehicles, regardless of disabled placards or plates, must pay when utilizing the Campus Center Parking Garage.
