

Door Prize Extravaganza

Organized by Dennis Goulet

Come to the conference and you may go home with a great prize from our generous door prize sponsors. Since 2012, our attendees have won nearly 1,000 items worth over \$100,000.

How to Win!

General Door Prizes

All attendees are automatically entered into the general door prize drawing.

So far, we have a total of 192 door prizes with a value of \$16,337. The winner's list will be posted at 3pm near the Hospitality Desk and the UMass Bookstore.

The winners of the general door prizes will be drawn Saturday afternoon and posted after 3 pm near the Hospitality Table in the Concourse Level of the Conference Center. Pick up your door prize from the Hospitality Table Sunday morning from 8-11:30 am. A photo ID must be presented and your conference badges must be worn when picking up your prize.

Prizes not picked up will be forfeited.

Special Door Prizes

Attendees have raffle tickets to choose which items are of interest

As we have two evening Featured Speakers, we will have Special Door Prizes on both evenings. Attendees will each receive two tickets in their registration packet for the special door prize items. The collection boxes for these prizes will indicate the prize and the evening the winner will be selected.

Deposit the raffle ticket (after printing your name on it) into the appropriate box on display in the Vendor Area on the first floor of the Conference Center. The drawing for the Special Door Prizes will be immediately prior to the Friday evening Feature Presentation by Fans Lanting and the Saturday evening Feature Presentation by Billie Weiss in the Fine Arts Theater. Check your conference schedule for the times of these events.
