

### About Hunt's Photo & Video

You'll be ready to start shooting as soon as you leave the store when you purchase your camera at Hunt's Photo and Video. As New England's premier imaging retailer, we make sure every customer feels comfortable with his or her purchase and is confident in its use. Whether you are a student, hobbyist, enthusiast or professional, Hunt's staff will help you choose the right equipment for your needs.

With Hunt's booth at the conference will be several Manufacturing Representatives including Moab Paper, Sandisk, Manfrotto, Gitzo and Datacolor.

### The Hunt's Shopping Experience

Unlike "big box" stores or online sellers, Hunt's makes personal service part of every purchase. Our friendly, knowledgeable staff will assist you in selecting the perfect gear for your individual lifestyle and interests. As a major supplier to the consumer, professional, educational, law enforcement and government markets, Hunt's maintains a well-stocked inventory of photo, video and digital imaging equipment from every major manufacturer so you'll have plenty of options from which to choose. With eight retail locations in four New England states, Hunt's offers an unbeatable combination of competitive pricing, sales know-how, and unparalleled customer service.

### Education for all skill levels

In addition to the sale of imaging gear, Hunt's offers an extensive array of educational classes covering a broad range of subjects on photography and videography. Group classes as well as individual instruction are available at most Hunt's retail locations.
