### About Bobbi Lane

**Bobbi Lane, ANEC (MA)** is an award-winning commercial photographer specializing in creative portraits on location and in the studio. Lane's multi-faceted approach to photography incorporates over 35 years of technical experience with innovative artistic interpretation. Her corporate and editorial work includes corporate identity, business websites and annual reports. Bobbi's honest and fun connection with her clients allows them to feel relaxed and authentic.

As a dedicated photo educator, she brings insight and enthusiasm to her students in workshops held worldwide. Bobbi is known for teaching lighting techniques for portraits, both natural and artificial: studio strobes, speedlights, LEDs, and daylight fluorescent. Bobbi's excellent rapport and communication with her students inspires and motivates, while her straight-forward teaching style reaches students of many different skill levels. Her dynamic workshops are always both educational and fun!

Combining her love of travel, photography and teaching, Bobbi also leads international photo travel workshops. In the past few years, she has been to Cuba, Ethiopia, Myanmar, Turkey, Oman, Venice Carnival, Hong Kong, Iceland and Dubai. These travel tours offer students the opportunity to see in new ways and learn lighting, landscape, people and processing skills to enhance their vision.

Bobbi is the author of two books: "Creative Techniques for Color Photography" and "Advertising Photography: A Straightforward Guide to a Complex Industry", with Lou Lesko. She currently has three photo educational DVDs: Portrait Lighting Techniques, Portraits Unplugged and Posing and Directing, with more in production now. The Bryan Peterson School of Photography offers two of Bobbi's classes online, Portraits Unplugged and Posing and Directing. Craftsy offers The Essential Guide to Posing.
