About Lisa Langell

Tamron Ambassador, FotoPro Ambassador

Lisa Langell (AZ) is a full-time, award-winning photographer whose work has appeared in numerous prestigious publications, galleries and more. She currently sits on the Board of Directors for the North American Nature Photography Association. She is also an ambassador for Tamron and FotoPro.

Whether it was working as a master floral designer, a licensed psychologist, university faculty, an international consultant in K-12 education, the Chief Business Development Officer of an education technology company, a researcher, a writer, or an artist—she enjoyed meeting each challenge.

Still, her strongest calling was photography—ever since childhood—when bird watching ignited her lifelong love of nature and the camera. In 2010, she turned her passion for photography into a business—and in 2015, she successfully transitioned to photography full-time and left the corporate and consulting world behind.

The journey with photography has definitely been Lisa's favorite – she loves combining her diverse background and skills into her photographic art and instruction. Bringing joy to others brings joy to her! She thrives on creating innovative learning experiences and pushing photographic boundaries. She equally enjoys enriching, stimulating and expanding fellow photographers' minds emotionally, creatively and intellectually.
