

About Magic Wings

Magic Wings Butterfly Conservatory & Gardens, opened in October of 2000, consists of an 18,400-square foot facility that includes an 8,000-sq. ft. glass conservatory filled with butterflies, moths and tropical vegetation. We commemorated our new expansion in a Grand Opening ceremony on June 26, 2004. The sun shines through the glass walls and heats up the conservatory to an 80-degree tropical-like environment all year round. The heart-shaped pond with Japanese koi graces the center of the conservatory.

The sound of the waterfall, peaceful music and hundreds of butterflies fluttering freely through the air creates a tranquil and serene atmosphere. It has become a sought-after romantic place for weddings, for which we can provide a justice of the peace. Visits anytime throughout the year are delightful. It's truly amazing inside, for no matter how many people are enjoying the conservatory, it's still a peaceful sanctuary for all. Enter through the main entrance into our plant-filled atrium.
