Photo-Ops Details

Saturday – Room 169 – Bright Spot Therapy Dogs

Sunday – Room 168 – Dark Light

A wide variety of still life setups, abstracts, animals and other subject matter will be available to photograph.

Multiple setups for various subject matter and techniques will be available throughout the weekend for your photographic pleasure. For some setups, a tripod is recommended; some setups are constant light; others use electronic flash tripped by Pocket Wizards (your camera must have a traditional style hot shoe for the Pocket Wizard). You will be using your camera mainly in manual mode in these rooms: if you are new to flash or manual mode, there is help available.
