

## About Nanlite

# You Come First.

- ☑ We want you focused on bringing your unique creative vision to life.
- ☑ On being spontaneous.
- ☑ On trying new and different techniques.
- ☑ On pushing yourself and your gear with confidence.
- ☑ We want what you see to be what you get.
- ☑ We want your work to feel less like work. Your ideas to come quicker.
- ☑ We want every frame you shoot to make you smile with satisfaction.
- ☑ And look forward to the next frame. And the next.

# What We Do.

We make a broad, versatile range of LED lights and accessories designed to help all sorts of image-makers achieve their vision.

We are fanatically obsessed with product details, user experience, and quality control.

We are equally obsessed with really listening and reacting to our customers; their needs and wishes.

FORZA COLLECTION

## Where Power & Portability Meet

The Forza Collection from Nanlite is a family of monolight style LEDs with remarkably bright and consistent light output designed to eliminate the difficulties of traveling to locations with large, cumbersome lights.

MIXPANEL COLLECTION

## Take Your Projects to a Brilliant Place.

The Nanlite MixPanel Collection uniquely combines three LED light sources into one compact housing. Now, whether you need hard lighting with more throw, diffused lighting for flattering portraits and up-close work, or colored light to set moods and express emotions, you can do it all in one unit with no additional accessories.
