Get Creative with Photographic Textures

### Conference Program

Digital

Kate Silvia Info >>< <https://necccphotoconference.org/kate-silvia/>>

When	Friday 6:00 pm – 7:00 pm Sunday 8:30 am – 9:30 am
<a href="#">Where &lt; http://maps&gt;</a>	Thompson 102
Skill	Intermediate, Familiar with Photoshop

This program will jump headfirst into the world of texture overlays to enhance your images. You'll be shown how to use textures, where to find them, and step by step instruction on how to best incorporate textures into your creative journey. Learn how to create your own textures too!

Kate will demonstrate using textures both in Photoshop CC and Topaz Texture Effects. This presentation can serve as a catalyst for your next creative adventure in post-processing. Kate will show you the types of images that work best with textures and give you guidance in choosing the right texture for the right photo.

This is a fun adventure into extending the creativity of your images!

Introduction to textures is an intermediate program for folks somewhat familiar with Photoshop.

## Kate's NECCC Conference Events

Photo Walks <
