The Knights of Gore will be doing demonstrations, battles and a melee* outside. They will be available for portraits outside at the pond area following the event.

Lord Jeffery founded the Knights of Gore in 2007. Jeffery hails from Dudley, Massachusetts. His favorite weapon is the Danish axe.

These are a group of Knights engaging in a full-contact martial sport fought with medieval steel weapons and full authentic medieval armor at full speed and full force.

**Melee is a large battle, until the last person is standing.*

"By the 12th century the mass battle of the knights, which came to be called the melee, was preceded by a series of more controlled single combats."
