

About iwata Tech

iwata Tech is an innovative and high-tech company, comprising of R&D center/ processing plant and head office in Guangzhou and trade company in Hong Kong SAR. We focus on lighting as well as accessories for photo, video and film shooting.

Our young and creative R&D team worked on high-end industrial instrument for years and keeps the preciseness and reliability. We have complete production line for both industrial and consumer products. With the belief of "artisan spirit", we put safety above all, love to innovate, make the design comply with industrial standard and meet the professional needs, for the best user's experience.

We launched iwata Tech brand for photography gears in 2017, which so far has become the consumers' favorite. Now we are expanding our sales territory and will keep moving, building up better life for people with quality products.

iwata Tech USA is Sponsoring:
