NECCC blog posts

Wanted: photography photo ops, programs, workshops, etc. in the greater New England region

The NECCC blog and Facebook page are wonderful places to share what is going on photographically in the New England region. Please have your club representative and/or publicity person contacting me with information about your club's events, programs, seminars, etc. You are offering. If you have a first-hand update on a seasonal event we would like that too (how are the sunflowers at buttonwood farm, are the daffodils peak, how is the fall foliage, etc.). Email photographer67 [at] comcast.net, with "for the NECCC blog" in the subject line and we will let the entire New England area know about the photo op or your club's event!

There is soooo much going on in the New England region and we want to share it with everyone. Seminars, workshops, camera club programs, outside speakers, canon explorers of light, photo ops, -- and firsthand-information providing updates on seasonal shooting (sunflowers, spring flowers, fall foliage). Let's share!! In this day of social media "we" (photographers) should be sharing upcoming photography with each other so everyone can know about them and choose to participate.

To post your news or event:

- Email me at photographer67 [at] comcast.net, with "for the NECCC blog" in the subject line and we will let the entire New England area know about the photo op or your club's event!
- You may attach a 1-3 small jpg files to the email for publicity
- Please note that the blog can NOT post pdf files or MS Word doc/docx files. If you have a pdf file for your announcement the best bet is to post that pdf on the club's server, or a share it as google doc and send the **link** to the file in the body of your email.
- Please send an email that is ready to copy and paste (Again, you can also attach a 1-3 of JPGs). FYI, The NECCC Blog editor simply copies and pastes your email into a blog post

FYI

- The blog posts are listed in reverse chronological order on the blog.
- People who have subscribed to the blog will receive the announcement via email automatically. We do not maintain an email list, subscription to the blog is done by the individual.
- The blogpost is also automatically published on Facebook.
- We cannot guarantee ASAP requests, please send in your request a couple of weeks before the event.

Let's rock the New England region with an abundance of shared information and opportunities!!

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED
WWW.NECCC.ORG

NECCC web site: www.neccc.org

Dear NECCC Club,

The NECCC website lists each club's website on the NECCC Camera Clubs page. Go to www.neccc.org and click on Member Clubs [<http://www.neccc.org/p/member-clubs.html>] to check if your club's information is up to date. We would like to have a website address (preferably) or an e-mail address as links from each club's listing. If you don't have a website we can list a contact person's email address. In this case, please send me an email address (if it's not yours, please make sure the recipient has given permission) that a visitor can click to get more information about your club. Having a link to your club helps draw new members.

For changes to the NECCC Club Excel list, please send your info to the Membership Chairman, James Dionne, MNEC (jimski42@gmail.com). Please send all changes to Jim and he will forward the updated Excel file to me to update the website. Thank you.

Lisa Cuchara, PhD, HonNEC, M. Craftsman, NECCC Vice President (Webmaster & Social Media)
