NECCC PRESIDENT'S MESSAGE

It's that time again...time to share the contents of the Club Services Packet with your club. NECCC is eager to support your camera club with a variety of services and activities. **Please be advised the Club Services Packet is now online and we are no longer mailing out printed Club Services Packets.** Visit our website www.NECCC.org and click on the "Club Services" tab to see all of the packet documents. The documents with forms can be completed online and then printed or emailed. The Club Services Packet is now being handled by Rhonda Cullens, MNEC. Please contact her at Rhonda@CCullens.com if you have any questions on the new online packets.

Specific activities such as interclub print (**forms now online!**) and digital competitions have detailed directions and deadlines to share with the club members responsible for this activity.

There is a courtesy enrollment available for a member of your club who has never attended the annual conference. It is up to your club whether you cover the \$40 copay or pass it on to the member. See the online packet for details on this tremendous bargain. Perhaps you may also want to nominate a member of your club for an NECCC honor. This is the person who goes above and beyond to promote your club and photography in the community. See the online form for it as well.

Help us spread the word about our scholarships and high school student programs. Guidelines and application forms are in the online packet. As the song lyrics go, "Children are our future."

Please be sure to include the following e-mail addresses in your contact list. We frequently send important information via email. Sometimes our email goes to your spam folder. You are the link to communication with us. Susan Mosser s.jmosser@comcast.net, Dennis Goulet dennis.goulet@comcast.net, Antoinette Gombeda agombeda@optonline.net, Lisa and Tom Cuchara photographer67@comcast.net.

If you are no longer the NECCC Club Rep for your camera club and have received this mailing, please pass this on to the new Club Rep and send me their name and contact info so that I may update my list and see that future correspondence is sent to the correct individual. Maureen and Todd Mathieson are now membership chairmen. They should also be notified of any changes. Their email addresses are maurmath@comcast.net and toddmathie@comcast.net. You should have received by now the bill for your club's membership in NECCC from The Mathieson's. Dues invoices are also available online.

Thank you for all of your support for this year's 73rd Conference. Our 74th Conference is scheduled for July 12, 13, 14, 2019. It's a three-day event filled with educational classes, many photographic opportunities and FUN. Join us for this great weekend and bring a friend. Please feel free to contact me with any questions, suggestions, or ideas you might like to share with other camera clubs.

Have a wonderful year!
