NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED WWW.NECCC.ORG

Dear NECCC Club,

The NECCC website lists each club's website on the NECCC Camera Clubs page. Go to www.neccc.org and click on Member Clubs [<http://www.neccc.org/p/member-clubs.html>] to make sure that your club's information is up to date.

For changes to the NECCC Club Members Excel list please send your info to the Membership Chairs Todd and Maureen Mathieson, MNEC's toddmathie@comcast.net or maurmath@comcast.net as needed. Please send changes to Todd/Maureen and they will forward the updated excel file to update the website.

- We would like to have a website address (preferably), or an e-mail address as links from each club's listing. Having a link to your club helps draw new members.
- If you don't have a website, we can list a contact person's email address. In this case, please email Todd/Maureen (if the email address is not yours, please make sure that you have gotten the recipient's permission) that a visitor can click on to get more information about your club.

Thank you.

NECCC is looking to post your photo event! We want to announce Photography photo ops, programs, workshops, etc. from the New England Region on the NECCC blog There is soooo much going on in the New England region and we want to share it! Seminars, workshops, camera club programs, outside speakers, Canon Explorers of Light, photo ops, -- and firsthand information providing updates on seasonal shooting (sunflowers, spring flowers, fall foliage). Let's SHARE! In this day of social media "we" (photographers) should be sharing upcoming photography with each other so everyone can know about them and choose to participate. The NECCC Blog and Facebook site are wonderful places to share what is going on photographically in the New England Region. Please have your club representative and/or publicity person contact me with information about your club's events, programs, seminars, etc. that you are offering. If you have a firsthand update on a seasonal event we would like that too (how are the Sunflowers at Buttonwood farm, are the daffodils peak, how is the fall foliage, etc.).

Email Lisa at **photographer67@comcast.net** with "for the NECCC Blog" in the subject line and we will let the entire New England area know about the photo op or your club's event! Let's rock the New England region with an abundance of shared information and opportunities!!
