Please note: Until a new director for this service is appointed, please send all documents and info to Susan Mosser, HonPSA, HonNEC at:

When a new director is appointed they will be contacting all Judges and Speakers on the two lists to verify their information.

**Club Presidents** - Please complete an application form for each new person that qualifies to be a Judge, Speaker, or both from your club or **ask and encourage that member to complete the form**, encouraging them to share their presentations with other clubs or their judging expertise with other clubs, and mail or e-mail to the address above.

All clubs are always looking for new presenters or judges. Please help to get qualified members from your club on the NECCC lists and known to the NECCC club memberships.

**Speakers** - Please provide a PDF or Word document with a **detailed description of each program and a short bio if you wish (all programs need to be listed in ONE document, not individually)**. You may supply the information below in an email rather than on this form if you prefer. The listings are posted on the NECCC website for easy access by clubs. This will allow you more room for program descriptions, and allow us to keep these lists up-to-date whenever new information is received. **Please also note your availability, whether you will come in person or you are only available by zoom presentations or if you are available for both. You should also list your address so clubs can judge distance.**

**Judges** - **please provide your name and contact info, phone and email, with availability. Will you come to the club or are you only available by zoom or will you do both. It would also help if you provided at least a city and state so clubs can judge distance.**
