## NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

August 31, 2023

Barbara Rozavsky, HonNEC, [barbphoto@mac.com](mailto:barbphoto@mac.com)

Dear NECCC Club Representative & Presidents,

Welcome to the new season of photography! As the New Club Season starts, it is time for all NECCC member clubs to pay their club dues and Digital Interclub Competition fees for the upcoming year. This letter is being sent to both names listed for your club: rep & president to make sure this information gets to the proper person in your club, who will send payment. This will help us get the correct information on the website. Thank you to those who have already sent some updates.

**All club Dues must be paid by October 12, 2023**

**This is required of all clubs so that we have a correct member club count and officer listing for our October BOD meeting.**

- To pay dues online with a credit card or PayPal visit [w.neccc.org/cart](http://w.neccc.org/cart) – (Note: You may also pay for the digital interclub competition online at this site.)
- To pay dues and/or digital interclub competition fees with a check, the paper invoice and mailing address is on page 2.
- Update your club information at [w.neccc.org/membership-information](http://w.neccc.org/membership-information) or on the enclosed printed sheet.

**We encourage you to pay online and fill out the updates to your club's information online. This makes the correspondence much faster and much easier to read.**

Please update NECCC with your club Rep and President information and other information every year with your **dues invoice by Oct 12, 2022** and whenever it changes throughout the year at [w.neccc.org/membership-information](http://w.neccc.org/membership-information). This club information is shared with other NECCC clubs on the [NECCC.org Club Services page](http://NECCC.org/Club%20Services). This also provides information to interested parties that might be looking for a camera club in their area.

NECCC invites you to participate in online meetings to support clubs. We will continue the monthly “Keeping Clubs Active” online meetings this year. For more information see [Group.NECCC.org](http://Group.NECCC.org)

Be sure to visit our website at [www.neccc.org](http://www.neccc.org). The home page has links to our blog and Facebook page. We will use these media to provide the latest information about our clubs, competition results, circuits, and other information pertaining to New England Photography.

**Thank you for volunteering to take on a position in your club as Club Representative or Club President. Without Volunteers, the clubs would not exist.**

Sincerely,  
Barbara Rozavsky, HonNEC  
Membership Vice President
