NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED WWW.NECCC.ORG

The New England Camera Club Council (NECCC) is a non-profit umbrella group for camera clubs in the New England states (Connecticut, Rhode Island, Maine, Massachusetts, New Hampshire, and Vermont). The Council was established in 1937 and incorporated in 1963.

The Council sponsors a variety of events and services for the photographers of New England including:

- An annual three-day photography conference each July at the University of Massachusetts in Amherst, MA, which is one of the largest in the United States. Over 1,000 photographers from the U.S. and other countries attend our conference. Attendees range from beginner to professional photographer.

We invite each NECCC member club to select one of their club members to receive a courtesy co-pay registration (\$40) to the next NECCC conference, held at U-Mass, Amherst, Mass. in July of each year. The registration gives the member submitted by your club all the learning experiences, photo opportunities and inspirational programs that go along with the conference.

- Scholarships are awarded each year to students so they may further their studies in the field of imaging.
- An annual series of interclub competitions in electronic imaging and prints (B&W and color).
- Digital and print circuits wherein each club's work is sent to a commentator who prepares a taped commentary and selects the judge's choice awards.
- Recorded instructional lectures consisting of photographs and audio.
- Our main source of information (besides this site) is our [Blog](#). It's free and will keep your members informed as to what's happening. Also, check us out on [Facebook](#). We hope you can **Like** us!
