

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

NECCC Winter 2014 Electronic Interclub Competition

The Winter 2014 competition, hosted by the Eastern Maine Camera Club, was held on Monday, February 17, 2014 at Dysart’s Travel Stop-Broadway, 1110 Broadway, Bangor, Maine 04401. The competition was co-directed by Eastern Maine’s competition co-chairmen, Joel Holcomb (NECCC Electronic Competition Rep) as the projectionist and Kevin Doyle as the score recorder. Vice President Sally Arata acted as the backup manual score recorder. Other club officers in attendance were President Jeanne Caron, Vice President Mary Hartt, and NECCC Print Competition Representative Alice Frati.

Forty-two clubs participated in the Pictorial section (17 from Class A and 25 from Class B) and Thirty-nine clubs participated in the Nature section (15 from Class A and 24 from Class B).

The judges for the competition were all respected local professional photographers:

- **Don Powers** – Don Powers has been in the photography business for over 35 years. He started his own company, Atlantic Photography, in 2004. Don also teaches photography in the Bangor area. He has currently turned his passion for the craft toward landscape and fine art images and can be found most weekend somewhere off the coast of Maine.
- **Lori Davis** – Lori’s collection of images includes photographs from Alaska, the Southwest, Pacific Northwest, the Canadian Rockies, Florida and much of New England. Now settled near Ellsworth, Maine, Lori thrives in a photographer’s paradise constantly adding Maine images to her collection. Working out of a studio in her home, Lori offers professional Giclée printed photographs of her images in a variety of sizes and price ranges, matted, framed and as unique handcrafted photo note cards. Her work is available for purchase online, or through shops & galleries throughout Maine.
- **Bob Darby** – Bob Darby has been photographing for over 50 years and has had his own business as an architectural photographer for the past 20 years. Bob also teaches Architectural Photography at UMA. He brings a sense of design and organization to his images and believes that each photographer must find his own path. Bob has chosen not to “document” places or events, but to find, “interpret” & show the beauty he has found. Once you have “seen”, you must “express” (print) to share your vision with others. Bob studied Architectural Photography with Ezra Stoller and has studied Expressive Black & White Photography with John Sexton, one of Ansel Adams’ assistants.

All tied photographs will receive the same score and ribbon.

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

We had two situations this time where two clubs entered images by the same individual. Club reps are requested to ask your members who are members of two or more clubs to designate a single club to use their images for the entire competition year in both categories. The rules are clear and it is important that club reps be sure to follow them. We don't like having to disqualify images when this rule is not followed.

Next Competition (2013-2014 Season)

Spring Competition: The third NECCC Electronic Photograph Interclub Competition of the 2013-2014 season will be held on Wednesday, April 16, 2014, hosted by the Boston West Photographic Society. The meeting will begin at 7:30 pm. The location will be St. Andrew's Church, 3 Maple Street, Framingham, MA (go to <http://bwps.org/club/directions.php> for driving instructions). **The closing date for receipt of entries will be Monday March 31, 2014.**
