

NECCC Spring 2024-2025 Digital Interclub Competition

The Spring 2025 Digital Interclub competition, hosted by the Greater Lynn Photographic Association, was held on Saturday, April 12, 2025. Thirty-eight clubs participated in the Color section (27 in Class A and 11 in Class B), thirty-eight clubs participated in the Nature section (20 in Class A and 18 in Class B), and thirty-eight clubs participated in Monochrome (Class A had 15 and Class B had 23). A total of 454 images were judged in a little over three hours. Unfortunately, we had an issue with the recording of the judging and did not get the audio. We will not be posting it as without audio it has limited use.

Our judges were **Art Vaughan**, HonNEC of Merrimack Valley Camera Club, MA; **Mike Goodman**, MNEC of Seacoast Camera Club, MA and **Karl Zuzarte**, MNEC of Photographic Soc. of Rhode Island. All are B&W print makers, very knowledgeable on all subjects and have judged throughout New England in International Exhibitions, interclub, and regular club competitions. All three were very qualified to judge each section presented.

This report contains the listing of the clubs total scores (top scoring clubs at the top) and a list of the winning images for each section.

2025-26 Digital Competition: Next year's Interclub will continue with the same rules and regulations set up for this year. They will again be hosted by Greater Lynn and judged live in person at the Greater Lynn Headquarters. We will continue doing three competitions-fall; winter and spring. Your chairman for 2025-26 will continue to be NECCC BOD members Pam Lintner, HonNEC and Susan Mosser, HonFPSA, HonNEC.

Class B club that must move up to Class A in Color for 2025-26: North Country-NH-First-139 points

Class B club that must move up to Class A in Nature for 2025-26: Cape Cod Art Center-MA First-149 points

Class B Clubs that must move up to Class A in Monochrome for 2025-26:

- 1. Coastal CC-CT-First place-141 Points**
- 2. North Haven CC-CT-Tied Second Place-140 Points**
- 3. Cape Cod Art Center- MA-Tied Second Place-140 Points**

We are moving up 1st and 2nd place in Mono as Class A Mono is quite small and the total scores do not differ that much in Class A and Class B. We will probably do this for a couple of years to get the Classes evened out.

We will continue with giving the lower placed Class A clubs who have been in Class A for a few years and are listed with year-end totals as one of the five lowest clubs who have competed with a full entry of 4 images per each of the three competitions for the year (total 12 images). You can now move back down to Class B if you wish, however you must stay in Class B for 2 years before being able to move backup to Class A, so you would need to consider this very carefully prior to asking to be moved back down. You would need to notify us prior to the first competition in November that you are moving down a class.

The dates for next year's competitions have not been selected yet but will again be in the fall (November), winter (TBA) and spring (April). Dates will be announced at the NECCC Reps luncheon on June 21, 2025 and a notice will be sent to all the clubs. If your interclub director will be change next year, please send Susan Mosser the new name and contact information at s.jmosser@comcast.net so we are sure the correct person gets the information needed to compete.

The NECCC BOD and especially Pam and I, would personally like to thank Cindy Gosselin, HonNEC who is no longer working directly with us but she is maintaining the master list of all the winning images for the past 10 years which we check for each judging. **Rick Cloran**, HonFPSA, HonNEC was our technical expert and did the recording and his wife **Marilyn Cloran**, FPSA, MNEC who set up some pastries and coffee for a short break. Also, to **Patrick Brosnan**, MNEC who normally does the recordings of the judging.
