These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

## **Problems**

Most of the problems this Fall were with registration and sending in the \$5 or \$10 checks (1 has still not been received). There were a number of new reps who were not mentored by the previous rep who were confused by some of the rules. We understand the need to rotate reps periodically, but in the future, we would appreciate the outgoing rep helping the new rep to minimize problems. We have to deal with about 40 clubs and any help you can provide will be appreciated.

We had the usual problems of more than one image by the same maker in a single category (nature or pictorial) plus images that had been entered before. Please be careful in keeping your records. Having to disqualify images for these violations is the least favorite thing we have to do.

## **Next Competition (2021-2022)**

**Winter Competition:** The second NECCC Projected Image Interclub Competition of the 2021-2022 season, hosted by the North Haven Camera Club, is scheduled for February 22, 2022. They plan to hold the competition at the Hope Christian Church, 211 Montowese St., North Haven, CT 06472 (Directions to the clubs meeting place can be found at <http://www.northhavencameraclub.com/directions/>) Note that these plans may change depending on the Covid 19 situation and availability of the church. **The closing date for receipt of entries is Monday, January 31, 2022.**
