

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

NECCC Fall 2020 Projected Image Interclub Competition

The Fall 2020 competition, hosted by the New Haven Camera Club, was judged remotely via Zoom prior to Monday, November 9, 2020. Competition images were then viewed by the club at their virtual meeting on November 9. The competition was directed by Paul Peterson. Forty clubs participated in the Pictorial section (24 from Class A and 16 from Class B) and thirty nine clubs participated in the Nature section (18 from Class A and 21 from Class B). Thanks are extended to the New Haven Camera Club for hosting this first competition of the 2020-21 season.

The judges for the competition were:

- Antoinette Gombeda, Greater Bridgeport Camera Club
- Linda Thomas, New Haven Camera Club
- Candi Valeri, Candlewood Camera Club

Note that our name has changed to the Projected Image Interclub Competition. When this competition began (2006-2007 season) slide competitions were also being held, thus the “electronic photograph” term was chosen. Now “projected image” is the term being used by PSA and other organizations for competitions of this type; so it was time for us to make a change.

The three winning clubs in the **Pictorial** section **Class A** were:

Club	Score	Place
Nashoba Valley	96	1st
Flagpole	95	2nd
Greater Lynn	95	2nd

The three winning clubs in the **Pictorial** section **Class B** were:

Club	Score	Place
Milford	90	1st
NE Shutterbugs	90	1st
Quiet Corner	88	3rd

The three winning clubs in the **Nature** section **Class A** were:

Club	Score	Place
Greater Lynn	96	1st
Cape Cod Viewfinders	93	2nd
Gateway	93	2nd

The winning clubs in the **Nature** section **Class B** were:

Club	Score	Place
Candlewood	93	1st
Hockomock	93	1st
Shooters Photo Group	92	3rd
Springfield	92	3rd

The award winning photographs for the four sections were:

All tied photographs will receive the same score and ribbon.

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

Most of the problems this Fall were with registration and sending in the \$5 or \$10 checks (2 have still not been received). There were a number of new reps who were not mentored by the previous rep who were confused by some of the rules. We understand the need to rotate reps periodically, but in the future, we would appreciate the outgoing rep helping the new rep to minimize problems. We have to deal with about 40 clubs and any help you can provide will be appreciated.

We had the usual problems of more than one image by the same maker in a single category (nature or pictorial) plus images that had been entered before. Please be careful in keeping your records. Having to disqualify images for these violations is the least favorite thing we have to do.

In Nature Class B, one image received a low score of 14 at the judging. The image was deemed to be out of the Nature category. As stated in the competition rules, NECCC Projected Image Nature competitions follow the PSA Nature definition and all photographs must adhere to its definition. Photographs which don't adhere to the PSA nature definition (for example cultivated plants, visible "hand of man," creative effects applied, etc.) should be scored low but not disqualified.

Next Competition (2020-2021)

Winter Competition: The second NECCC Projected Image Interclub Competition of the 2020-2021 season will be held February 16, 2021, hosted by the Stony Brook Camera Club. They plan to have the images judged remotely prior to this date and then show the higher scoring images to their club via Zoom. **The closing date for receipt of entries is Monday, January 18, 2021**, to allow time to judge the images and prepare the scores in time for them to present to their club.
