

**NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED**

## **NECCC Spring 2020 Electronic Interclub Competition**

The Spring 2020 NECCC projected image competitions were hosted by the Greater Lynn Photographic Association. Rick Cloran served as the competition coordinator. The competition was originally scheduled to be judged at GLPA on Monday March 30. As we all know all too well, just about every plan anyone has had for March, April and likely beyond has been thrown out the window as a result of the COVID-19 chaos.

After consulting with Bill Barnett and Cindy Gosselin, it was agreed that Bill would generate the image files and related Excel scoresheets and Rick would ask the judges to download the file from a shared Dropbox, score the images and return their completed sheet to Rick who would in turn combine the scores on the master sheets and return those to Bill and Cindy.

Once last-minute hiccup came when one judge was uncomfortable in handling the files that way. After Rick was unable to quickly locate an alternate, Bill agreed to allow Cindy to serve as a judge since she had not been involved in processing the entries. With that settled, Rick sent the files and score sheets out to Cindy Gosselin, Mike DiStefano, and Don Toothaker. These three very worthy individuals did yeoman like work in getting all of the images judged and the sheets back to Rick in time for Rick to have the completed master files back by the originally scheduled competition date.

We did have two images in Class B Nature that were scored low because they did not meet the requirements of the PSA nature definition that governs the Nature competitions. One was of a domestic animal. The other had a visible human structure in the background. Club Reps are reminded to familiarize themselves with the restrictions in the PSA Nature Definition before selecting entries for the Nature section of the NECCC interclub competitions.

Many thanks go out to Bill, Cindy, Mike and Don for their work and assistance in making it possible to at least carry out this one small aspect of our “normal” lives in a time that is anything but normal.

Rick Cloran

Bill and Cindy would also like to extend many, many thanks to Rick Cloran and the Greater Lynn Photographic Association for hosting this “virtual” competition, the last of the 2019-20 season.

Winners need not re-submit images as the competition chairmen have the images and will arrange the judging. The awards will be given at the awards ceremony on Sunday morning at the annual NECCC Conference in Amherst. The first place club awards will also be presented at the same time. We hope to see all of you there.

Congratulations to this season's first place winning clubs.

**Next Competition Season (2020-2021)**

Thanks are extended to all those entrants, judges, clubs, etc. that made this competition season a success. The success of the competitions is not possible without all of you. Host clubs for next season's competition are being finalized. The host clubs, and dates for competition for the 2020-21 season, will be announced shortly.

A flyer containing a summary of any changes, as well as a list of next season's competition dates and closing dates will be sent to the club reps of this year's competitors and will be included in the annual Club Information Packets. Documents containing complete rules and instructions will be posted on the Interclub Competition page of the NECCC Internet site and will also be sent to all of the competition representatives as soon as they are available.
