

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

## NECCC Spring 2021 Projected Image Interclub Competition

The Spring 2021 competition, hosted by the Upper Cape Camera Club, was judged virtually in April 2021. Competition images will be viewed by the club members at their virtual meeting on April 28, 2021. The competition was directed by Jen Kano, Competition Director for Upper Cape Camera Club. Assistance was provided by Walter Knox (club President) and Milt Williamson (club Program Chair and NECCC Club Representative). Forty clubs participated in the Pictorial section (24 from Class A and 16 from Class B) and thirty nine clubs participated in the Nature section (18 from Class A and 21 from Class B). Thanks are extended to the Upper Cape Camera Club for hosting this third competition of the 2020-21 season.

The judges for the competition were:

- Dorene Sykes
- Jim Pennypacker
- Shiv Verma

Each judge has judged for many events and camera clubs in the past. Additionally, each judge scored the images “virtually” and independently.

Note that, this season, our name has been changed to the Projected Image Interclub Competition. When this competition began (2006-2007 season) slide competitions were also being held, thus the “electronic photograph” term was chosen. Now “projected image” is the term being used by PSA and other organizations for competitions of this type; so it was time for us to make a change.

Bill and Cindy would also like to extend many, many thanks to Jen Kano, Walter Knox and Milt Williamson of the Upper Cape Camera Club for hosting this “virtual” competition, the last of the 2020-21 season.

The winning clubs in the **Pictorial** section **Class A** were:

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

## **Problems**

Most of the problems this Spring centered around the submission of images that had been previously entered. Please be careful in keeping your records. Having to disqualify images for violations is the least favorite thing we have to do.

In Nature Class B, one image received a lower score from the judges due to the presence of the maker's signature/watermark. So, although this image was scored low from the judges, it was not disqualified. It is good, general practice to NOT have any identifying marks on any image submitted for competitions.

## **End of Year Standings**

The overall winning clubs in the four divisions for this competition season are as follows:

**Pictorial Class A:**

<b>Club Name</b>	<b>Total Score</b>	<b>Place</b>

<b>Club Name</b>	<b>Total Score</b>	<b>Place</b>

Gateway	264	2nd
Stony Brook	261	3rd

**Nature Class B:**

<b>Club Name</b>	<b>Total Score</b>	<b>Place</b>
Springfield	271	1st
Candlewood	268	2nd
CT Valley	268	2nd

The two 1st place clubs in Class B will now move up to Class A starting in the 2021-2022 season. Therefore, North Haven will now compete in Pictorial Class A and Springfield will compete in Nature Class A.

Congratulations to this season's winning clubs.

Winning images (1st, 2nd and 3rd places) from the three competitions this season will be sent to a judge outside of New England who will pick the Pictorial Class A, Pictorial Class B, Nature Class A, and Nature Class B photographs of the year. Winners need not re-submit images as the competition chairmen have the images and will arrange the judging. Awards for winning images will be announced when they are finalized.

### **Next Competition Season (2021-2022)**

Thanks are extended to all those entrants, judges, clubs, etc. that made this competition season a success. The success of the competitions is not possible without all of you. Host clubs for next season's competition are being finalized. The host clubs, and dates for competition for the 2021-22 season, will be announced shortly.

A flyer containing a summary of any changes, as well as a list of next season's competition dates and closing dates will be sent to the club reps of this year's competitors and will be included in the annual Club Information Packets. Documents containing complete rules and instructions will be posted on the Interclub Competition page of the NECCC Internet site and will also be sent to all of the competition representatives as soon as they are available.
