

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

NECCC Spring 2022 Projected Image Interclub Competition

The Spring 2022 competition, hosted by the Camera Club of Oxford Greens, was judged virtually in April 2022. - Jessica Tell, past member of Camera Club of Oxford Greens whose responsibilities included recruiting and training judges for camera club competitions.
- Chane Cullens, member of Flagpole Photographers Camera Club. Chane has many leadership roles at Flagpole, NECCC and PSA.

Both Chuck and David also extended a thank you to Bill Barnett for his guidance and direction; which helped to make the competition run smoothly and problem free.

Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

Most of the problems this Spring centered around the submission of images that had been previously entered. Please be careful in keeping your records. Having to disqualify images for violations is the least favorite thing we have to do.

Congratulations to this season's winning clubs.

Winning images (1st, 2nd and 3rd places) from the three competitions this season will be sent to a judge outside of New England who will pick the Pictorial Class A, Pictorial Class B, Nature Class A, and Nature Class B photographs of the year. Winners need not re-submit images as the competition chairmen have the images and will arrange the judging. Awards for winning images will be announced when they are finalized.

Next Competition Season (2022-2023)

Thanks are extended to all those entrants, judges, clubs, etc. that made this competition season a success. The success of the competitions is not possible without all of you. Host clubs for next season's competition are being finalized. The host clubs, and dates for competition for the 2022-23 season, will be announced shortly.

A flyer containing a summary of any changes, as well as a list of next season's competition dates and closing dates will be sent to the club reps of this year's competitors and will be included in the annual Club Information Packets. Documents containing complete rules and instructions will be posted on the Interclub Competition page of the NECCC Internet site and will also be sent to all of the competition representatives as soon as they are available.
