

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

NECCC Winter 2021 Projected Image Interclub Competition

The Winter 2021 competition, hosted by the Stony Brook Camera Club, was judged in late January 2021. Competition images were then viewed by the club at their virtual meeting in February 2021. The competition was directed by David Marshak of Stony Brook. Forty clubs participated in the Pictorial section (25 from Class A and 15 from Class B) and thirty nine clubs participated in the Nature section (19 from Class A and 20 from Class B). Thanks are extended to the Stony Brook Camera Club for hosting this second competition of the 2020-21 season.

The judges for the competition were:

- Tom Noonan, Sarasota, FL
- Ken Wiedemann, Sandwich MA
- Jim West, Wrentham MA

Each judge has judged for many events and camera clubs in the past. Additionally, each judge scored the images “virtually” and independently.

Note that, this season, our name has been changed to the Projected Image Interclub Competition. When this competition began (2006-2007 season) slide competitions were also being held, thus the “electronic photograph” term was chosen. Now “projected image” is the term being used by PSA and other organizations for competitions of this type; so it was time for us to make a change.

The winning clubs in the **Pictorial** section **Class A** were:

Club	Score	Place
Charter Oak	94	1st
Central NE	92	2nd
Flagpole	92	2nd
Greater Lynn	92	2nd

The three winning clubs in the **Pictorial** section **Class B** were:

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

Most of the problems this Winter centered around the submission of images that had been previously entered. Please be careful in keeping your records. Having to disqualify images for violations is the least favorite thing we have to do.

In Pictorial Class A, one image received a lower score from one of the judges due to the presence of the maker's signature/watermark. So, although this image was scored low from one of the judges, it was not disqualified. It is good, general practice to NOT have any identifying marks on any image submitted for competitions.

Next Competition (2020-2021)

Spring Competition: The third NECCC Projected Image Interclub Competition of the 2020-2021 season will be held hosted by The Upper Cape Camera Club. It is surmised that this last competition of the 2020-21 season will be held virtually, on or about April 28, 2021. It is necessary to adjust the deadline for image receipt so that the judging may occur independently. **The closing date for receipt of entries is Monday, March 29, 2021.**
