This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

## **Problems**

For this competition we had to disqualify one entry because it had already been submitted to a previous competition. We also had one entry with the same title as a previous entry, but the image was, in fact, different. It is the responsibility of the reps to keep records and to check the entries for their club to be sure this does not happen. Please be more careful in the future.

## **Next Competition (2014-2015)**

**Winter Competition:** The second NECCC Electronic Photograph Interclub Competition of the 2014-2015 season will be held on Wednesday, February 4, 2015, hosted by the Greater Bridgeport Camera Club. The location will First Congregational Church, 2301 Main Street, Stratford, CT 06614 (see <http://gbclub.wordpress.com/directions/> for more information). The meeting will begin at 7:00 p.m. **The closing date for receipt of entries will be Monday, January 19, 2015.**
