

NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED

NECCC Fall 2015 Electronic Interclub Competition

The Fall 2015 competition, hosted by The Westfield Camera Club, was held on Monday, November 9, 2015 at The Arbors in Westfield, MA. The competition was directed by chairman and projectionist Sandra Gogal with scoring assistance provided by Barbara Krawczyk, Barbara Chiampa and Judy Bolio. Forty-three clubs participated in the Pictorial section (19 from Class A and 24 from Class B) and Forty-one clubs participated in the Nature section (16 from Class A and 25 from Class B). Thanks are extended to The Westfield Camera Club for hosting this first competition of the 2015-16 season.

The judges for the competition were:

- Paul Deegan, MNEC, APSA, is a former Vice President of NECCC and a current member of the Quabbin Photo Club. He was a senior photographer for MassMutual for 10 years and operated his own wedding and portrait business for over 25 years. He was instrumental in organizing and producing the PSA-sponsored Springfield International Exhibition of Photography.
- Richard Novak, MNEC, is a Vice President of NECCC in the capacity of the Historian and Memorial Fund chair. He was an in-house industrial photographer for Pratt and Whitney and is a lifetime member of the Springfield Photographic Society where he is a past president.
- Sandy Sparks is a founding member of the Westfield Camera Club and is a past president. She is known for her inspiring photo travel images and serves as a judge for numerous NECCC member camera clubs and organizations sponsoring photo contests.

The three winning clubs in the **Pictorial** section **Class A** were:

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

We had a number of problems with this competition, mostly related to a large number of new representatives appointed by clubs. It appears that the previous rep did not mentor the new rep in a few cases resulting in a number of errors; including failure to submit the registration fee, registration arriving late, and images being entered late for the competition. In the future if your club appoints a new rep,

please arrange for the outgoing rep to mentor the new rep through at least one competition. Also, be sure to transfer the records of entries to the new rep so that he/she can check the new entries to avoid repetition.

We also had a few cases where image titles matched those of previous entries. We were able to compare the new entry with the previous entry and confirm that the images were in fact different and add a #2 to the title and accept it. Please urge your members to write slightly more expansive titles to minimize this problem going forward. Titling an image "Robin" says little and is likely to be repeated for a future Robin image. A title such as "Robin Sitting on Crab Apple Tree" is much less likely to be repeated the next time the maker enters a picture of a Robin.

Please remember that your co-directors work hard to keep the competition running smoothly. You can help by registering on time in the fall, promptly sending in checks for the registration fee, entering your images well in advance of the due date, and carefully checking to avoid entering an image a second time. We dislike finding problems and disqualifying images. Please do your part to help.

Next Competition (2015-2016)

Winter Competition: The second NECCC Electronic Photograph Interclub Competition of the 2015-2016 season will be held on Thursday, February 25, 2016, hosted by the Shooters Gallery Photography Group. The location will be Gardner Lake Volunteer Fire Department, 429 Old Colchester Road, Salem, CT. The meeting will begin at 7:00 p.m. **The closing date for receipt of entries is Thursday, January 21, 2016.** (Note: this closing date is early to accommodate the director's travel schedule.)
