This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

Problems

As usual there were a few problems with the entries in this competition:

- One image was entered that had been entered previously from another club under a slightly different name. It is the responsibility of each club representative to impress on your members that once an image has been entered it cannot be entered again.
- A number of clubs entered the same images multiple times which creates additional work for the directors who have to check and erase duplicate images from those entered. If images are not accepted the first time, they should be fixed and only the images not accepted should be entered a second time in the same positions that the rejected images occupied. If it is necessary to enter a different image for some reason after the initial entry, e-mail the directors telling us what happened so we can be sure the correct image is entered into the competition.

The two 1st place clubs in Class B will now move up to Class A starting in the 2015-2016 season. Therefore, Flagpole will now compete in Pictorial Class A and Stony Brook will compete in Nature Class A.

The winning images (1st, 2nd and 3rd places) from the three competitions this season will be sent to a judge outside of New England who will pick the Pictorial Class A, Pictorial Class B, Nature Class A, and Nature Class B photographs of the year. Winners need not re-submit images as the competition chairmen have the images and will arrange the judging. The results will be announced at the awards ceremony on Sunday morning at the annual NECCC Conference in Amherst. The club awards will also be presented at the same time. We hope to see all of you there.

Congratulations to all the winners.
