## **NECCC Winter 2016 Electronic Interclub Competition**

The Winter 2016 competition, hosted by the Shooters Gallery Photography Group, was held on Thursday, February 25, 2016 at Photo Connection of Colchester. The competition was directed by chairman and projectionist Jeanette Tuvey with scoring assistance provided by Drea Koval and Mary Ann Lewis. Forty-three clubs participated in the Pictorial section (19 from Class A and 24 from Class B) and Forty-one clubs participated in the Nature section (16 from Class A and 25 from Class B). Thanks are extended to the Shooters Gallery Photography Group for hosting this second competition of the 2015-16 season.

The judges for the competition were:

- Tom Nanos - Tom has been photographing various subjects since the early 1980s, and has been specializing in documenting railroading subjects for the past 15 years in both digital and film. His work has been featured in numerous railroad-themed magazines, historical journals, calendars and books published and sold across the globe. Some of his photos have received awards from the Center for Railroad Photography and Art and NECCC. More recently his prints have been exhibited in a number of galleries, including the Oliver O. Jensen Gallery in Essex, Connecticut, the Garden Arts Center in New London and the California State Railroad Museum in Sacramento, California.
- Jake Snyder – Jake has been a photographer since high school, and has always been interested in landscape and nature photography, putting all his effort into learning about long exposures, landscapes, and the many facets of these styles. Most of what he knows is self-taught, as he spends as much of his free time as possible photographing and adventuring. Jake has started his own business, Red Skies Photography, where he teaches workshops on all things landscape and long exposure. Jake is also a current masters student in Biological Oceanography at UConn Avery Point, where he is studying the synergistic effects of ocean acidification and temperature on near-shore fish.
- Christina Frausini - Christina has been involved with photography, to some degree, for her entire life. She has been a part of her family’s business, Frausini Photography, since her teenage years. She presently teaches photographic skills to students of all ages, and has hosted classes in New London and Mystic Aquarium. For the past five years, she has been a part of the photography press room for the exclusive Westminster Kennel Club Dog Show in New York City. Her favorite types of photography are action sports and travel photos. She is also an outdoor enthusiast that enjoys travel adventures.

This report will be posted on the NECCC web site. All winning and HM images, if not already posted, will soon appear on the NECCC web site as well. Please share that information with your club members, particularly those who ask what types of photographs win. These galleries provide your members, particularly the newer members, with great examples of good photography from which they can learn.

**Problems**

There were a few problems with this competition. Bill appreciates the clubs meeting the early deadline to accommodate his travel schedule. We have had some complaints that names or titles are not spelled correctly. However, it should be noted that the titles and other information is taken/merged directly from the table entries on the upload site. All club chairman should use care when entering this information as it will appear in the reports exactly as it was entered.

**Next Competition (2015-2016)**

**Spring Competition:** The third NECCC Electronic Photograph Interclub Competition of the 2015-2016 season will be held on Wednesday, April 27, 2016, hosted by the Upper Cape Camera Club. The meeting will begin at 7:00 p.m. The location will be Falmouth Artists Guild, 137 Gifford St., Falmouth, MA 02541 (go to <http://falmouthart.org/index.php?name=Sections&req=viewarticle&artid=4> for driving instructions). **The closing date for receipt of entries is Wednesday, April 6, 2016.**
