**Club Presidents** - Please complete an application form for each new person that qualifies to be a Judge from your club or **ask and encourage that member to complete the form**, encouraging them to share their judging expertise with other clubs, and mail or e-mail to the address above.

All clubs are always looking for new judges. Please help to get qualified members from your club on the NECCC list and known to the NECCC club memberships.

**Judges** - please provide your name and contact info, phone and email, with availability. Will you come to the club or are you only available by Zoom or will you do both? It would also help if you provided at least a city and state so clubs can judge distance.

**[Click here to use the online application form](#)**
