When a new director is appointed they will be contacting all Judges and Speakers on the two lists to verify their information.

Please complete an application form for each new person that qualifies to be a Judge, Speaker, or both and mail or e-mail to the address above. **Speakers - Please provide a PDF or Word document with a detailed description of each program (all programs need to be listed in ONE document, not individually). It is preferred if you supply the information online by using the link below** or in an email rather than by postal mail. The listings are posted on the NECCC website for easy access by clubs. This will allow you more room for program descriptions, and allow us to keep these lists up-to-date whenever new information is received.
