NEW ENGLAND CAMERA CLUB COUNCIL, INCORPORATED – NECCC.org

MEMORIAL FUND

The Memorial Fund was proposed many years ago, in 1969. It was approved by the Executive Committee and a sum of money was transferred from Council funds to establish the fund. The income from this fund was to be used to provide scholarship grants to needy and worthy students. Please note the companion sheet in this packet which concerns scholarship awards. If you know of a qualified student that fits the parameters of eligibility for a scholarship please give them the forms to fill out and submit to the appropriate committee.

The Memorial Committee is pleased to report that the fund has grown so that, from the income derived, we are now able to give three substantial grants per year.

We are appealing to all our clubs to make a contribution to this Memorial Fund. Certainly it is a very worthy cause in the name of your hobby, and mine — photography.

The terrific cost of a college education makes almost every applicant a needy one. Certainly we will welcome any and all contributions from clubs or from individuals. Each donation is tax deductible and will be acknowledged to all concerned. The names will be listed in the NECCC Bulletin. Any donation will be appreciated.
