Dear NECCC Rep,

Welcome to the new season of photography! We hope that your club is finding creative ways to maintain contact during the COVID-19 mess. Chane Cullens, MNEC, Conference Webmaster, has emailed Reps, inviting you to participate in Zoom meetings to support clubs.

Enclosed please find the Membership Information form and your Membership Dues Invoice for the upcoming year. This is **separate** from any fees for circuit competition in which your club participates. **The print circuits are currently canceled** due to Covid-19. Still, you need to mail fees to different people, as the circuits and membership committees are run by different people. NECCC does require physical checks as this small organization is not set up for Internet payments.

Please complete the attached information form as soon as possible after your club elections so that we can get the information to our webmaster for our web site. (www.neccc.org) You can fill out the form online by clicking on the “Club Services” tab, going down to “#24 NECCC Annual Club Dues Invoice and use the link at the bottom of the document. You may submit online or email the form to us and/or send it along with your check, payable to **NECCC, Inc.** This way we will have the correct information about your club to provide to interested parties that might be looking for a camera club in their area.

As the NECCC Rep you are the main communication link between the Council and your camera club. Please be sure that the enclosed documents get to the proper person in your club, who will send payment. This will help us to get the correct information on the website and avoid our sending out reminders.

Be sure to visit our website at www.neccc.org . The home page has links to our blog and Facebook page. We will use these media to provide the latest information about our clubs, competition results, circuits, and other information germane to New England Photography.

Thank you for volunteering as the NECCC Representative for your camera club. The 75th Anniversary Conference will be next July 16-18, 2021. Looking forward to seeing you!

Sincerely,
Maureen and Todd Mathieson, MNECs
